DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, in the claimed combination, a method comprising:
 - receiving status signals with a portable device from a wearable device worn by a person, wherein the status signals indicate operational status of the wearable device, wherein the operational status includes an indication of whether the person has tampered with the wearable device;
 - determining location of the portable device;
 - transmitting messages from the portable device to a monitoring system via a wireless telephone network, wherein the messages include the location of the portable device and the operational status of the wearable device; and
 - adjusting transmission rate of the messages from the portable device to the monitoring system by reducing the transmission rate when the portable device is within a specified region and increasing the transmission rate when the portable device is outside the specified region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
